The 3M logo, consisting of the letters '3', 'M', and 'M' in a bold, red, sans-serif font.

3M™ General Purpose Masking Tape 2120

- For use in paint masking, bundling, labelling, attaching and sealing

3M™ 80 Degree Paper Masking Tape 2321

- General purpose masking tape with clean removal after low temperature bake cycles

3M™ High Strength Masking Tape 202

- Resists lifting or curling under tensile strength, moisture resistant

3M™ Low Tack Masking Tape 1104

- Less aggressive bond prevents lifting of paint or other surface coatings

3M™ 100 Degree Masking Tape 2364

- Withstands temperatures up to 100°, moisture resistant

3M™ 160 Degree Masking Tape 2610

- Performs up to 160°, can withstand repeat bake cycles, moisture resistant

3M™ General Purpose Polyester Tape 8995

- For powder coat masking, bagging or as a flashbreaker

Scotch® Fine Line Masking Tape 218

- Polypropylene tape for applications up to 120°, for paint lines and other masking and holding applications

3M™ Tartan™ Mono Weave Filament Tape 8953

- Bundling lightweight products, holding boxes together, salvaging torn and damaged products

3M™ Tartan™ Cross Weave Filament Tape 8954

- Bundling medium weight products, holding boxes together, salvaging torn and damaged products

Scotch® General Purpose BOPP Box Sealing Tape 371

- 48 micron, available in clear and buff

Scotch® Performance PVC Box Sealing Tape 6890

- 50 micron, moisture resistant, available in clear, buff and white

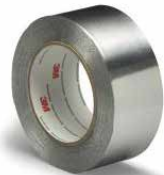

Scotch® Performance BOPP Low Noise Box Sealing Tape 3707

- 55 micron, available in clear and buff

Foil Tape

3M™ Aluminium Foil Tape 425

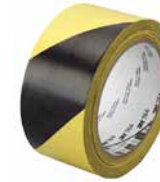

- General purpose holding, patching and sealing applications

3M™ Vinyl Tape 471

- High performance tape used for colour-coding, lane marking, surface protection and identification of hazardous areas
- Available in multiple colours

3M™ Hazard Warning Vinyl Tape 766i

- Marking of equipment for warning purposes and temporary floor marking
- Available in black / yellow combination

3M™ General Purpose Vinyl Tape 764i

- Coloured identification tape for non-critical applications
- Available in multiple colours

3M™ Hazard Warning Vinyl Tape 767i

- Marking of equipment for warning purposes and temporary floor marking
- Available in red / white combination

3M™ Value Duct Tape 1900

- General purpose tape for light duty applications, available in silver and black

Scotch® ATG 700 Applicator

- Applicator gun for use with 3M Adhesive Transfer Tape, fast and convenient application

3M™ ATG Adhesive Transfer Tape 969

- Clear acrylic pressure sensitive adhesive for use with Scotch® ATG 700 Applicator, ideal for folder and box bonding
- Ideal for a wide variety of surfaces including most plastics

3M™ High Performance Double Coated Tape 9088

- Clear general purpose, high temperature resistant double coated tape
- Paper liner, UV resistance

3M™ High Performance Double Coated Tape 9087

- White general purpose, high temperature resistant double coated tape
- Ideal for lightweight signage and splicing, will bond most surfaces, temperature resistance of up to 70°

3M™ Scotch-Weld™ Threadlocker TL43

- General purpose medium strength threadlocker with vibration resistance
- For use with most threaded fasteners including mounting bolts and housing screws

3M™ Scotch-Weld™ Instant Adhesive SF100

- Very fast-curing, multi-purpose instant adhesive for bonding a wide range of materials including metals, plastics and rubber
